Digital Marketing Course in Shaheen Bagh – FAQS:

Q1. Who would take a Digital Marketing course in Shaheen Bagh?

Just about anyone – students, working professionals, business owners, or freelancers – regardless of learning or upgrading their knowledge and skills in digital marketing.

Q2. Do I need to have an existing background in marketing?

No, our program is geared to a beginner while also being beneficial for working professionals who want to develop their skills.

Q3. How long is the program

Length is generally 3-6 months depending on how fast your cohort goes and is it classroom vs online.

Q4. Is there an online training option?

Yes. We have an offline classroom option in Shaheen Bagh and our live online classes would adhere to the same curriculum

Q5. Will I get a certificate at the end?

Yes. You will receive certification that is accepted by the industry when you successfully complete the learning program.

Q6. Do you provide placement assistance?

For sure. We will provide placement assistance by helping you with your resume, doing mock interviews, as well as linking you with our partner companies.

Q7. What kinds of jobs can I apply for once I finish this course?

Once you've completed the course you will be able to apply for a job like SEO Specialist, PPC Specialist, Social Media Manager, Digital Marketing Executive, Content Marketer or even start freelancing or even your own agency.

Q8. Do you offer a flexible payment plan?

Yes we have reasonable fees, and offer EMI and installment payment plans to make it easier for you to get started enrolling.

Q9. Will I get practical training?

Yes you will get practical experience through live projects, case studies and case study work through real campaign experience
